The signed card must be presented at the meeting by the person(s) representing the stockholder.

The cost of this solicitation will be borne by the Company. The Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation materials to such beneficial owners. Charles L. Crittenden has been a director of the Company since 1979. Mr. Crittenden has been sole stockholder of Crittenden Paint & Glass Company since 1958. He is also an owner of Crittenden Enterprises, a real estate development company, and Chairman of the Board of Linco, Inc. Mr. Crittenden's status as one of the Company's founders, his thirty-three year tenure on the Company's Board of Directors, and his years of business experience led the Board of Directors to conclude that he should serve as a Director.

Robert G. Hunter, M.D. has been a director of the Company since 1998. Dr. Hunter is currently a practicing physician in private practice. Dr. Hunter created the statewide E.N.T. Dr. Hunter holds a B.S. degree in Microbiology from the University of Utah and received his medical degree from the University of Utah College of Medicine. Norman G. Wilbur has been a director of the Company since 1998. Mr. Wilbur worked for J.C. Penny's regional offices in budget and analysis. His final position was Manager of Planning and Reporting for J.C. Penny's stores. After 36 years with J.C. Penny's, Mr. Wilbur opted for early retirement in 1997. Mr. Wilbur is a past board member of Habitat for Humanity in Plano, Texas. Mr. Wilbur holds a B.S. degree in Accounting from the University of Utah. Mr. Wilbur's financial expertise and business experience from a successful career at JC Penny's led the Board of Directors to conclude he should serve as a director. In addition, the Board of Directors' determination that Mr. Wilbur is the Audit Committee "financial expert" lends further support to his financial acumen and qualification for serving as a Director.

The Board of Directors recommends that stockholders vote "FOR" the election of each of the director nominees.

The Board of Directors, Board Committees and Meetings

The Company's Bylaws provide that the Board of Directors shall consist of not less than three nor more than eleven members. The term of office of each director is for a period of one year or until the election and qualification of his successor. A director is not required to be a resident of the State of Utah but must be a stockholder of the Company. The Board of Directors held a total of five meetings during the fiscal year ended December 31, 2011. No directors attended fewer than 75% of all meetings of the Board of Directors during the 2011 fiscal year.

The size of the Board of Directors of the Company for the coming year is seven members. A majority of the Board of Directors must qualify as "independent" as that term is defined in Rule 4200 of the listing standards of the Nasdaq Stock Market. The Board of Directors has affirmatively determined that four of the seven members of the Board of Directors, Messrs. Charles L. Crittenden, Robert G. Hunter, M.D., H. Craig Moody and Norman G. Wilbur, are independent under the listing standards of the Nasdaq Stock Market.

Unless authority is withheld by your Proxy, it is intended that the common stock represented by your Proxy will be voted for the respective nominees listed above. If any nominee should not serve for any reason, the Proxy will be voted for such person as shall be designated by the Board of Directors to replace such nominee. The Board of Directors has no reason to expect that any nominee will be unable to serve. There is no arrangement between any of the nominees and any other person or persons pursuant to which he was or is to be selected as a director. There is no family relationship between or among any of the nominees, except that Scott M. Quist is the son of George R. Quist.

There are four committees of the Board of Directors, which meet periodically during the year: the Audit Committee, the Compensation Committee, the Executive Committee, and the Nominating and Corporate Governance Committee. The Audit Committee directs the auditing activities of the Company's internal auditors and outside public accounting firm and approves the services of the outside public accounting firm. The Audit Committee consists of Messrs. Charles L. Crittenden, H. Craig Moody and Norman G. Wilbur (Chairman of the committee). During 2011, the Audit Committee met on three occasions.

The Compensation Committee is responsible for recommending to the Board of Directors for approval the annual compensation of each executive officer of the Company and the executive officers of the Company's subsidiaries, developing policy in the areas of compensation and fringe benefits, contributions under the Employee Stock Ownership Plan, contributions under the 401(k) Retirement Savings Plans, Deferred Compensation Plan, granting of options under the stock option plans, and creating other employee compensation plans. The Compensation Committee consists of Messrs. Charles L. Crittenden (Chairman of the committee), Robert G. Hunter, M.D., H. Craig Moody and Norman G. Wilbur. During 2011, the Compensation Committee met on one occasion.

The Executive Committee reviews Company policy, major investment activities and other pertinent transactions of the Company. The Executive Committee consists of Messrs. George R. Quist, Scott M. Quist, J. Lynn Beckstead, Jr. and H. Craig Moody. During 2011, the Executive Committee met on one occasion.

The Nominating and Corporate Governance Committee identifies individuals qualified to become board members consistent with criteria approved by the board, recommends to the board the persons to be nominated by the board for election as directors at a meeting of stockholders, and develops and recommends to the board a set of corporate governance principles. The Nominating and Corporate Governance Committee consists of Messrs. Charles L. Crittenden, Robert G. Hunter, M.D., H. Craig Moody (Chairman of the committee), and Norman G. Wilbur. The Nominating and Corporate Governance Committee is composed solely of independent directors, as defined in the listing standards of the Nasdaq Stock Market. During 2011, the Nominating and Corporate Governance Committee met on one occasion.

Director Nominating Process

The process for identifying and evaluating nominees for directors include the following steps: (1) the Nominating and Corporate Governance Committee, Chairman of the Board or other board members identify a need to fill vacancies or add newly created directorships; (2) the Chairman of the Nominating and Corporate Governance Committee initiates a search and seeks input from board members and senior management and, if necessary, obtains advice from legal or other advisors (but does not hire an outside search firm); (3) director candidates, including any candidates properly proposed by stockholders in accordance with the Company's Bylaws, are identified and presented to the Nominating and Corporate Governance Committee; (4) initial interviews with candidates are conducted by the Chairman of the Nominating and Corporate Governance Committee; (5) the Nominating and Corporate Governance Committee meets to consider and approve final candidate(s) and conduct further interviews as necessary; and (6) the Nominating and Corporate Governance Committee makes recommendations to the board for inclusion in the slate of directors at the annual meeting. The evaluation process will be the same whether the nominee is recommended by a stockholder or by a member of the Board of Directors.

The Nominating and Corporate Governance Committee will consider nominees proposed by stockholders. To recommend a prospective nominee for the Nominating and Corporate Governance Committee's consideration, stockholders may submit the candidate's name and qualifications to: Jeffrey R. Stephens, General Counsel and Secretary, Security National Financial Corporation, 5300 South 360 West, Suite 250, Salt Lake City, Utah 84123. Recommendations from stockholders for nominees must be received by Mr. Stephens not later than the date set forth under "Deadline for Receipt of Stockholder's Proposals for Annual Meeting to be Held in July 2013" below.

The Nominating and Corporate Governance Committee operates pursuant to a written charter. The full text of the charter is published on the Company's website at www.securitynational.com. Stockholders may also obtain a copy of the charter without charge by writing to: Jeffrey R. Stephens, General Counsel and Corporate Secretary, Security National Financial Corporation, 5300 South 360 West, Suite 250, Salt Lake City, Utah 84123.

Meetings of Non-Management Directors

The Company's independent directors meet regularly in executive session without management. The Board of Directors has designated a lead director to preside at executive sessions of independent directors. Mr. H. Craig Moody is currently the lead director.

Retirement Plans

On December 8, 1988, the Company entered into a deferred compensation plan with George R. Quist, the Chairman and Chief Executive Officer of the Company. The plan was later amended on three occasions with the third amendment effective February 1, 2001. Under the terms of the plan as amended, upon the retirement of Mr. Quist, the Company is required to pay him ten annual installments in the amount of \$50,000. Retirement is defined in the plan as the age of 70, or a later retirement age, as specified by the Board of Directors. The \$50,000 annual payments are to be adjusted for inflation in accordance with the United States Consumer Price Index for each year after January 1, 2002.

The plan also provides that the Board of Directors may, in its discretion, pay the amounts due under the plan in a single, lump-sum payment. In the event that Mr. Quist dies before the ten annual payments are made, the unpaid balance will continue to be paid to his designated beneficiary. The plan further requires the Company to furnish an automobile for Mr. Quist's use and to pay all reasonable expenses incurred in connection with its use for a ten year period, and to provide Mr. Quist with a hospitalization policy with similar benefits to those provided to him the day before his retirement or disability. However, in the event Mr. Quist's employment with the Company is terminated for any reason other than retirement, death, or disability, the entire amount of deferred compensation payments under the plan shall be forfeited by him. The Company accrued \$18,000 and \$31,000 in fiscal 2011 and 2010, respectively, to cover the present value of anticipated retirement benefits under the employment agreement of \$586,117 as of December 31, 2011.

Employment Agreements

On July 16, 2004, the Company entered into an employment agreement with Scott M. Quist, its President and Chief Operating Officer. The agreement is effective as of December 4, 2003 and has a five-year term, but the Company has agreed to renew the agreement on December 4, 2008 and December 4, 2013 for additional five-year terms, provided Mr. Quist performs his duties with usual and customary care and diligence. Under the terms of the agreement, Mr. Quist is to devote his full time to the Company serving as its President and Chief Operating Officer at not less than his current salary and benefits. The Company also agrees to maintain a group term life insurance policy of not less than \$1,000,000 on Mr. Quist's life and a whole life insurance policy in the amount of \$500,000 on Mr. Quist's life. In the event of disability, Mr. Quist's salary would be continued for up to five years at 75% of its current level.

In the event of a sale or merger of the Company and Mr. Quist is not retained in his current position, the Company would be obligated to continue paying Mr. Quist's current compensation and benefits for seven years following the merger or sale. The agreement further provides that Mr. Quist is entitled to receive annual retirement benefits beginning (i) one month from the date of his retirement (to commence no sooner than age 65), (ii) five years following complete disability, or (iii) upon termination of his employment without cause. These retirement benefits are to be paid for a period of ten years in annual installments in the amount equal to 75% of his then current rate of compensation. However, in the event that Mr. Quist dies prior to receiving all retirement benefits thereunder, the remaining benefits are to be paid to his heirs. The Company expensed \$145,036 and \$144,935 in fiscal 2011 and 2010, respectively, to cover the present value of anticipated retirement benefits under the employment agreement. The liability accrued was \$1,121,162 and \$976,126 as of December 31, 2011 and 2010, respectively.

On December 4, 2003, the Company, through its subsidiary SecurityNational Mortgage Company, entered into an employment agreement with J. Lynn Beckstead, Jr., Vice President of Mortgage Operations and President of SecurityNational Mortgage Company. The agreement has a five-year term, but the Company has agreed to renew the agreement on December 4, 2008 and December 4, 2013 for additional five-year terms, provided Mr. Beckstead performs his duties with usual and customary care and diligence. Under the terms of the agreement, Mr. Beckstead is to devote his full time to the Company serving as President of SecurityNational Mortgage Company at not less than his current salary and benefits, and to include \$350,000 of life insurance protection. In the event of disability, Mr. Beckstead's salary would be continued for up to five years at 50% of its current level.

In the event of a sale or merger of the Company, and Mr. Beckstead was not retained in his current position, the Company would be obligated to continue paying Mr. Beckstead's current compensation and benefits for five years following the merger or sale. The agreement further provides that Mr. Beckstead is entitled to receive annual retirement benefits beginning (i) one month from the date of his retirement (to commence no sooner than age 62 (ii) five years following complete disability, or (iii) upon termination of his employment without cause. These retirement benefits are to be paid for a period of ten years in annual installments in the amount equal to one-half of his then current annual salary. However, in the event that Mr. Beckstead dies prior to receiving all retirement benefits thereunder, the remaining benefits are to be paid to his heirs. The Company expensed \$58,964 and \$58,923 in 2011 and 2010, respectively, to cover the present value of the retirement benefit of the agreement. The liability accrued was \$533,483 and \$474,519 as of December 31, 2011 and 2010, respectively.

Each director is provided with an annual grant of stock options to purchase 1,000 shares of Class A common stock, which occurred under the 2000 Director Stock Option Plan for years 2000 to 2005 and under the 2006 Director Stock Option Plan for years 2006 to 2010. During 2011 and 2010, each director was granted options to purchase an additional 5,000 shares of Class A common stock.

Employee 401(k) Retirement Savings Plan

In 1995, the Board of Directors adopted a 401(k) Retirement Savings Plan. Under the terms of the 401(k) plan, effective as of January 1, 1995, the Company may make discretionary employer matching contributions to its employees who choose to participate in the plan. The plan allows the Board of Directors to determine the amount of the contributions to the plan at the end of each year. All persons who have completed at least one year's service with the Company and satisfy other plan requirements are eligible to participate in the plan. All Company matching contributions are invested in the Company's Class A common stock.

The Company may also contribute, at the discretion of the Board of Directors, an employer profit sharing contribution to the 401(k) plan. The employer profit sharing contribution is to be divided among three different classes of participants in the plan based upon the participant's title in the Company. All amounts contributed to the plan are deposited into a trust fund administered by an independent trustee.

Beginning January 1, 2008, the Company elected to be a "Safe Harbor" Plan for its matching 401(k) contributions. The Company will match 100% of up to 3% of an employee's total annual compensation and 50% of 4% to 5% of an employee's annual compensation. The match is in shares of the Company's Class A common stock. The Company's matching contributions for 2011, 2010 and 2009 were \$208,206, \$344,722 and \$341,360, respectively, under the "Safe Harbor" Plan.

Employee Stock Ownership Plan

Effective January 1, 1980, the Company adopted an employee stock ownership plan (the "ESOP Plan") for the benefit of career employees of the Company and its subsidiaries. Under the ESOP Plan, the Company has discretionary power to make contributions on behalf of all eligible employees into a trust created under the ESOP Plan. Employees become eligible to participate in the ESOP Plan when they have attained the age of 19 and have completed one year of service (a twelve-month period in which the employee completes at least 1,040 hours of service).

The Company's contributions under the ESOP Plan are allocated to eligible employees on the same ratio that each eligible employee's compensation bears to total compensation for all eligible employees during each year. To date, the ESOP Plan has approximately 353 participants and had \$0 in contributions payable to the Plan in 2011. Benefits under the ESOP Plan vest as follows: 20% after the third year of eligible service by an employee, and an additional 20% in the fourth, fifth, sixth and seventh years of eligible service by an employee.

Benefits under the ESOP Plan will be paid out in one lump sum or in installments in the event the employee becomes disabled, reaches the age of 65, or is terminated by the Company and demonstrates financial hardship. The ownership plan committee, however, retains discretion to determine the final method of payment. Finally, the Company reserves the right to amend or terminate the ESOP Plan at any time. The trustees of the trust fund under the ESOP Plan are George R. Quist, Scott M. Quist and Robert G. Hunter, who each serve as a director of the Company.

Deferred Compensation Plan

In 2001, the Company's Board of Directors adopted a Non-Qualified Deferred Compensation Plan. Under the terms of the Non-Qualified Deferred Compensation Plan, the Company will provide deferred compensation for a select group of management or highly compensated employees, within the meaning of Sections 201(2), 301(a)(3) and 401(a)(1) of the Employee Retirement Income Security Act of 1974, as amended. The board has appointed a committee of the Company to be the plan administrator and to determine the employees who are eligible to participate in the plan. The employees who participate may elect to defer a portion of their compensation into the plan. The Company may contribute into the plan at the discretion of the Company's Board of Directors. The Company did not make any contributions during 2011, 2010 or 2009.

2003 Stock Option Plan

On July 11, 2003, the Company adopted the Security National Financial Corporation 2003 Stock Incentive Plan (the "2003 Plan"), which reserved 500,000 shares of Class A common stock and 1,000,000 shares of Class C common stock for issuance thereunder. The 2003 Plan was approved by the Board of Directors on May 9, 2003, and by the stockholders at the annual meeting of the stockholders held on July 11, 2003. The 2003 Plan allows the Company to grant options and issue shares as a means of providing equity incentives to key personnel, giving them a proprietary interest in the Company and its success and progress.

On July 13, 2007, the stockholders approved an amendment to the 2003 Plan to increase the number of shares of Class A and Class C common stock reserved for issuance thereunder to 978,528 shares of Class A common stock and 2,110,775 shares of Class C common stock. On July 10, 2009, the stockholders approved an amendment to the 2003 Plan to increase the number of shares of Class A and Class C common stock reserved for issuance thereunder to 1,478,528 shares of Class A common stock and 3,110,775 shares of Class C common stock.

On July 9, 2010, the stockholders approved an amendment to the 2003 Plan to increase the number of shares of Class A and Class C common stock reserved for issuance thereunder to 1,902,345 shares of Class A common stock and 4,110,775 shares of Class C common stock. On July 10, 2011, the stockholders approved an amendment to the 2003 Plan to increase the number of shares of Class A and Class C common stock reserved for issuance thereunder to 1,217,478 shares of Class A common stock and 1,000,005 shares of Class C common stock.

The 2003 Plan provides for the grant of options and the award or sale of stock to officers, directors, and employees of the Company. Both "incentive stock options", as defined under Section 422A of the Internal Revenue Code of 1986 and "non-qualified options" may be granted under the 2003 Plan. The exercise prices for the options granted are equal to or greater than the fair market value of the stock subject to such options as of the date of grant, as determined by the Company's Board of Directors. The options granted under the 2003 Plan are to reward certain officers and key employees who have been employed by the Company for a number of years and to help the Company retain these officers by providing them with an additional incentive to contribute to the success of the Company.

The 2003 Plan is to be administered by the Board of Directors or by a committee designated by the board. The terms of options granted or stock awards or sales affected under the 2003 Plan are to be determined by the Board of Directors or its committee. The options shall be either fully exercisable on the date of grant or shall become exercisable thereafter in such installments as the board or the committee may specify. The plan provides that if the shares of common stock shall be subdivided or combined into a greater or smaller number of shares or if the Company shall issue any shares of common stock as a stock dividend on its outstanding common stock, the number of shares of common stock deliverable upon the exercise of options shall be increased or decreased proportionately, and appropriate adjustments shall be made in the purchase price to reflect such subdivision, combination or stock dividend. In addition, the number of shares of common stock reserved for purposes of the plan shall be adjusted by the same proportion. No options may be exercised for a term of more than ten years from the date of grant.

Options intended as incentive stock options may be issued only to employees, and must meet certain conditions imposed by the code, including a requirement that the option exercise price be no less than the fair market value of the option shares on the date of grant. The 2003 Plan provides that the exercise price for non-qualified options will not be less than at least 50% of the fair market value of the stock subject to such option as of the date of grant of such options, as determined by the Company's Board of Directors.

The 2003 Plan has a term of ten years. The Board of Directors may amend or terminate the 2003 Plan at any time, subject to approval of certain modifications to the 2003 Plan by the stockholders of the Company as may be required by law or the 2003 Plan.

2006 Director Stock Option Plan

On December 7, 2006, the Company adopted the 2006 Director Stock Option Plan (the "Director Plan"), effective December 7, 2006. The Director Plan provides for the grant by the Company of options to purchase up to an aggregate of 100,000 shares of Class A common stock for issuance thereunder. The Director Plan provides that each member of the Company's Board of Directors who is not an employee or paid consultant of the Company is automatically eligible to receive options to purchase the Company's Class A common stock under the Director Plan.

Effective as of December 7, 2006, and on each anniversary date thereof during the term of the Director Plan, each outside director shall automatically receive an option to purchase 1,000 shares of Class A common stock. In addition, each new outside director who first joins the Board after the effective date shall be granted an option to purchase 1,000 shares upon the date which such person first becomes an outside director and an annual grant of an option to purchase 1,000 shares on each anniversary date thereof during the term of the Director Plan. The options granted to outside directors shall vest in four equal quarterly installments over a one year period from the date of grant until such shares are fully vested. The primary purposes of the Director Plan are to enhance the Company's ability to attract and retain well-qualified persons for service as directors and to provide incentives to such directors to continue their association with the Company.

In the event of a merger of the Company with or into another company, or a consolidation, acquisition of stock or assets or other change in control transaction involving the Company, each option becomes exercisable in full, unless such option is assumed by the successor corporation. In the event the transaction is not approved by a majority of the "continuing directors" (as defined in the Director Plan), each option becomes fully vested and exercisable in full immediately prior to the consummation of such transaction, whether or not assumed by the successor corporation.

Certain Relationships and Related Transactions

On November 19, 2007, Security National Life and Scott M. Quist entered into a Use and Buy Sale Agreement to jointly purchase a condominium located in St. George, Utah. Mr. Quist is the Company's President and Chief Operating Officer. The condominium is to be used for the entertainment of Security National Life's executive officers, employees, outside vendors and prospective customers. The purchase price of the condominium, including improvements and furnishings, was \$538,962. Mr. Quist paid \$286,207 of that amount and Security National Life paid \$252,755.

Under the terms of the agreement, Security National Life and Mr. Quist have the right to use the condominium in proportion to their respective contributions towards the purchase price, including furnishings and fixtures. Mr. Quist is responsible for the care and maintenance of the condominium. The payment of taxes, insurance, utilities and homeowners' fees is to be divided between Security National Life and Mr. Quist according to their respective ownership percentages.

Upon the death, disability or retirement of Mr. Quist or his separation from employment with the Company, Mr. Quist or his estate, as the case may be, shall have the right to purchase Security National Life's interest in the condominium at the original purchase price or fair market value, whichever is less. Security National Life's contribution to the purchase price of the condominium was equal to an amount of accrued but unpaid bonuses owed to Mr. Quist, which he agreed to continue to defer for the option that would allow him or his estate to purchase Security National Life's interest in the condominium upon his death, disability or retirement at the lesser of the original purchase price or fair market value.

The Company's Board of Directors has a written procedure, which requires disclosure to the Board of any material interest or any affiliation on the part of any of its officers, directors or employees that is in conflict or may be in conflict with the interests of the Company.

Compliance with Section 16(a) of the Securities Exchange Act of 1934

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's executive officers, directors and persons who own more than 10% of a registered class of the Company's equity securities to file reports of ownership and periodic changes in ownership of the Company's common stock with the Securities and Exchange Commission. Such persons are also required to furnish the Company with copies of all Section 16(a) reports they file.

Based solely on its review of the copies of stock reports received by it with respect to fiscal 2011, or written representations from certain reporting persons, the Company believes that its directors, officers and greater than 10% beneficial owners complied with all Section 16(a) filing requirements applicable to them, except each of the Company's officers and directors, through an oversight, filed one late Form 4 report reporting the granting of stock options in December 2011.

REPORT OF THE COMPENSATION COMMITTEE

Under rules established by the Securities and Exchange Commission (the "Commission"), the Company is required to provide certain data and information in regard to the compensation and benefits provided to its Chief Executive Officer, Chief Financial Officer, and the three other most highly compensated executive officers. In fulfillment of this requirement, the Compensation Committee, at the direction of the Board of Directors, has prepared the following report for inclusion in this Proxy Statement.

Executive Compensation Philosophy. The Compensation Committee of the Board of Directors is composed of four directors, all of whom are independent, outside directors. The Compensation Committee is responsible for setting and administering the policies and programs that govern both annual compensation and stock ownership programs for the executive officers of the Company. The Company's executive compensation policy is based on principles designed to ensure that an appropriate relationship exists between executive pay and corporate performance, while at the same time motivating and retaining executive officers.

Executive Compensation Components. The key components of the Company's compensation program are base salary, an annual incentive award, and equity participation. These components are administered with the goal of providing total compensation that is competitive in the marketplace, rewards successful financial performance and aligns executive officers' interests with those of stockholders. The Compensation Committee reviews each component of executive compensation on an annual basis.

Base Salary. Base salaries for executive officers are set at levels believed by the Compensation Committee to be sufficient to attract and retain qualified executive officers. Base pay increases are provided to executive officers based on an evaluation of each executive's performance, as well as the performance of the Company as a whole. In establishing base salaries, the Compensation Committee not only considers the financial performance of the Company, but also the success of the executive officers in developing and executing the Company's strategic plans, developing management employees and exercising leadership. The Compensation Committee believes that executive officer base salaries for 2011 were reasonable as compared to amounts paid by companies of similar size.

Annual Incentive. The Compensation Committee believes that a significant proportion of total cash compensation for executive officers should be subject to attainment of specific Company financial performance. This approach creates a direct incentive for executive officers to achieve desired performance goals and places a significant percentage of each executive officer's compensation at risk. Consequently, each year the Compensation Committee establishes potential bonuses for executive officers based on the Company's achievement of certain financial performance. The Compensation Committee believes that executive officer annual bonuses for 2010 were reasonable as compared to amounts paid by companies of similar size.

Stock Options. The Compensation Committee believes that equity participation is a key component of its executive compensation program. Stock options are granted to executive officers primarily based on the officer's actual and potential contribution to the Company's growth and profitability and competitive marketplace practices. Option grants are designed to retain executive officers and motivate them to enhance stockholder value by aligning the financial interests of executive officers with those of stockholders. Stock options also provide an effective incentive for management to create stockholder value over the long term since the full benefit of the compensation package cannot be realized unless an appreciation in the price of the Company's Class A common stock occurs over a number of years.

Compensation of Chief Executive Officer. Consistent with the executive compensation policy and components described above, the Compensation Committee determined the salary, bonus and stock options received by George R. Quist, the Chairman of the Board and Chief Executive Officer of the Company, for services rendered in 2011. Mr. Quist received a base salary of \$285,513 for 2011. Under the Compensation Committee's rules, the Chief Executive Officer may not be present during voting or deliberations related to his compensation.

REPORT OF THE AUDIT COMMITTEE

The Company has an Audit Committee consisting of three non-management directors, Charles L. Crittenden, H. Craig Moody and Norman G. Wilbur. Each member of the Audit Committee is considered independent and qualified in accordance with applicable independent director and audit committee listing standards. The Company's Board of Directors has adopted a written charter for the Audit Committee.

During the year 2011, the Audit Committee met three times. The Audit Committee has met with management and discussed the Company's internal controls, the quality of the Company's financial reporting, the results of internal and external audit examinations, and the audited financial statements. In addition, the Audit Committee met with the Company's independent registered public accountants, Hansen, Barnett & Maxwell, P.C. and discussed all matters required to be discussed by the auditors with the Audit Committee under Statement on Auditing Standards No. 114 (communication with audit committees). The Audit Committee reviewed and discussed with the auditors their annual written report on their independence from the Company and its management, which is made under Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and Public Company Accounting Oversight Board Rule No. 3526 (Communication with Audit Committees Concerning Independence), and considered with the auditors whether the non-audit services provided by them to the Company during 2011 was compatible with the auditors' independence.

In performing these functions, the Audit Committee acts only in an oversight capacity. In its oversight role, the Audit Committee relies on the work and assurances of the Company's management, which is responsible for the integrity of the Company's internal controls and its financial statements and reports, and the Company's independent auditors, who are responsible for performing an independent audit of the Company's financial statements in accordance with generally accepted auditing standards and for issuing a report on these financial statements.

Pursuant to the reviews and discussions described above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2011, for filing with the Securities and Exchange Commission.

**APPROVAL OF AMENDMENT TO THE 2003 STOCK OPTION PLAN
PROPOSAL 2**

The Board of Directors adopted on April 13, 2012, subject to the approval by the stockholders, an amendment to the Company's 2003 Stock Option Plan. The amendment increases from 217,320 to 667,320 the number of shares of the Company's Class A common stock available for issuance under the 2003 Stock Option Plan if an additional 450,000 shares of Class A common stock are issued under the plan. However, if an additional 450,000 shares of Class A common stock are made available for issuance under the plan, of which 200,000 Class A common shares are issued as 2,000,000 shares of Class C common stock, then the amendment would increase the shares of Class A common stock available for issuance under the plan from 217,320 shares to 467,320 shares and increase the shares of Class C common stock available for issuance under the plan from five shares to 2,000,005 shares.

The Company has in the past used, and intends in the future to use, stock options as incentive devices to motivate and compensate its salaried officers and other key employees, and believes that equity incentives represented by stock options enhances the Company's ability in attracting and retaining the best possible persons for positions of significant responsibility by providing its officers and other key employees with additional incentives to contribute to the Company's success.

Management further believes that the availability of such equity incentives has served, and will continue to serve, an important part in the implementation of the Company's growth strategy. As of December 31, 2011, options to purchase 1,643,023 shares of Class A common stock and 4,110,770 shares of Class C common stock have been granted under the 2003 plan; as of such date and after the adjustments to reflect the annual 5% stock dividends, options to purchase 1,566,521 shares of Class A common stock and 3,610,275 shares of Class C common stock were outstanding under the 2003 Stock Option Plan. Accordingly, options to purchase only 217,320 shares of Class A common stock and five shares of Class C common stock remain available for future grants under the 2003 Stock Option Plan as of such date.

The Board of Directors recommends that the shareholders vote "FOR" approval of the amendment to the 2003 Stock Option Plan.

PROPOSAL 3

The Board of Directors adopted on April 13, 2012, subject to the approval by the stockholders, an amendment to the Company's 2006 Director Stock Option Plan for the outside directors. The amendment increases from 2,774 to 52,774 the number of shares of the Company's Class A common stock available for issuance under the 2006 Director Stock Option Plan. The Company has in the past used, and intends in the future to use, stock options as incentive devices to motivate and compensate its outside directors and believes that equity incentives represented by stock options enhances the Company's ability in attracting and retaining the best possible persons to serve as outside directors of the Company by providing additional incentives to contribute to the Company's success.

As of March 31, 2012, no options to purchase shares of Class A common stock have been exercised under the 2006 plan; as of such date, options to purchase 131,236 shares of Class A common stock were outstanding under the 2006 Stock Option Plan. Accordingly, options to purchase only 2,774 shares of Class A common stock remain available for future grants under the 2006 Stock Option Plan as of such date.

The Board of Directors recommends that the shareholders vote "FOR" approval of the amendment to the 2006 Director Stock Option Plan.
