A proxy may be revoked at any time before it is exercised by giving written notice to the Secretary of the Company at 433 Ascension Way, 6th Floor, Salt Lake City, Utah 84123, Attention: Jeffrey R. This Proxy Statement and accompanying proxy card are being mailed to stockholders on or about May 2, 2023.

If a stockholder wishes to assign a proxy to someone other than the directors' proxy committee, all names appearing on the proxy card must be crossed out and the name(s) of another person or persons (not more than two) inserted. The signed card must be presented at the meeting by the person(s) representing the stockholder.

The cost of this solicitation will be borne by the Company. The Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation materials to such beneficial owners. The outstanding shares of Class A and Class C common stock constitute the only classes of securities entitled to vote at the Annual Meeting and each share of Class A common stock entitles the holder to one vote and each share of Class C common stock entitles the holder to ten votes. There are three ways to authorize a proxy to vote the shares held by the holders of Class A common stock and Class C common stock:

If the holders of shares of Class A and Class C common stock are held in the name of a bank, broker or other holder of record, such stockholders will receive instructions from the holder of record. Stockholders must follow the instructions of the holder of record in order for shares to be voted. Internet and telephone proxy authorization also will be offered to stockholders owning shares through certain banks and brokers. If such shares are not registered in the stockholder's own name and the stockholder plans to vote such shares in person at the Annual Meeting, such stockholder should contact such stockholder's broker or agent to obtain a legal proxy or broker's proxy card and submit it by mail or bring it to the Annual Meeting in order to vote.

Shares will be voted as the stockholder of record instructs. The persons named as proxies on the proxy card will vote as recommended by the Company's Board of Directors on any matter for which a stockholder has not given instructions. The Board of Directors' recommendations appear at the end of each of the proposals.

The Board of Directors, Board Committees, and Meetings

The Company's Bylaws provide that the Board of Directors shall consist of not fewer than five nor more than twelve directors. The term of office of each director is for a period of one year, until their successors are duly elected and qualified or until their earlier resignation or removal. A director is not required to be a resident of the State of Utah or a stockholder of the Company. The Board of Directors held a total of five meetings during the fiscal year ended December 31, 2022. Each of the directors attended 75% or more of the meetings of the Board of Directors during 2022.

The size of the Board of Directors of the Company is proposed to be ten members. A majority of the Board of Directors must qualify as "independent" as that term is defined in Rule 4200 of the listing standards of The Nasdaq Stock Market. The Board of Directors has affirmatively determined that six of the ten nominees for the Board of Directors, namely John L. Cook, Gilbert A. Fuller, Robert G. Hunter, M.D., H. Craig Moody, Ludmya B. Love and Shital A. Mehta are independent under the listing standards of The Nasdaq Stock Market.

Unless authority is withheld by your proxy, it is intended that the Class A or Class C common stock represented by your proxy will be voted for the respective nominees listed above. If any nominee should not serve for any reason, the proxy will be voted for such person as shall be designated by the Board of Directors to replace such nominee. The Board of Directors has no reason to expect that any nominee would be unable to serve. There is no arrangement between any of the nominees and any other person or persons pursuant to which he or she was or is to be selected as a director. There is no family relationship between or among any of the nominees, except that Scott M. Quist is the father of S. Andrew Quist and Adam G. Quist and the uncle of Jason G. Overbaugh.

Board Leadership Structure

Mr. Scott M. Quist, our CEO, is also the Chairman of the Board. Our Board has determined that having the same individual hold both positions is in the best interests of the Company and our stockholders, and consistent with good corporate governance for the following reasons:

- Our CEO is more familiar with our business and strategy than an independent, non-employee Chairman would be and is thus better positioned to focus our Board's agenda on the key issues facing our Company.
- A single Chairman and CEO provides strong and consistent leadership for the Company without risking overlap or conflict of roles.
- Oversight of our Company is the responsibility of our Board as a whole, and this responsibility can be properly discharged without an independent Chairman.

We do not have a lead independent director or a presiding director. However, the independent directors regularly meet in executive sessions of the Board. We believe that the structure of our Board provides an appropriate balance of management leadership and non-management oversight.

Board Committees

There are four committees of the Board of Directors, which meet periodically during the year: the Audit Committee, the Compensation Committee, the Executive Committee, and the Nominating and Corporate Governance Committee.

The Audit Committee directs the auditing activities of the Company's internal auditors and outside public accounting firm and approves the services of the outside public accounting firm. The Audit Committee consists of John L. Cook, Gilbert A. Fuller (Chairman of the committee), H. Craig Moody, Ludmya B. Love and Shital A. Mehta. During 2022, the Audit Committee met on three occasions. The Board has determined that Gilbert A. Fuller is an audit committee financial expert as defined in Item 407(d) of Regulation S-K under the Exchange Act.

The Compensation Committee is responsible for recommending to the Board of Directors for approval the annual compensation of each executive officer of the Company and the executive officers of the Company's subsidiaries, developing policy in the areas of compensation and fringe benefits, contributions under the Employee Stock Ownership Plan, contributions under the 401(k) Retirement Savings Plans, Non-Qualified Deferred Compensation Plan, granting of options and other awards under the stock option and incentive plans, and creating other employee compensation plans. The Compensation Committee consists of John L. Cook, Gilbert A. Fuller, Robert G. Hunter, M.D., H. Craig Moody (Chairman of the Committee), Ludmya B. Love and Shital A. Mehta. The Compensation Committee is composed solely of independent directors, as defined in the listing standards of The Nasdaq Stock Market. During 2022, the Compensation Committee met on four occasions.

At our annual meeting of shareholders held on June 17, 2022, we submitted the compensation of our named executive officers to our shareholders in a non-binding vote. Our executive compensation program received the votes totaling 37,577,186 for our executive compensation program and 877,221 votes against, with 13,689 abstentions. The Compensation Committee will continue to review the future shareholder voting results and determine whether changes should be made to our executive compensation program based on such voting results.

The Executive Committee reviews Company policy, major investment activities and other pertinent transactions of the Company. The Executive Committee consists of Gilbert A. Fuller, H. Craig Moody, S. Andrew Quist, and Scott M. Quist (Chairman of the committee). During 2022, the Executive Committee met on one occasion.

The Nominating and Corporate Governance Committee identifies individuals qualified to become Board members consistent with the criteria approved by the Board, recommends to the Board the persons to be nominated by the Board for election as directors at a meeting of stockholders, and develops and recommends to the Board a set of corporate governance principles. The Nominating and Corporate Governance Committee consists of John L. Cook, Gilbert A. Fuller, Robert G. Hunter, M.D., H. Craig Moody (Chairman of the committee), Ludmya B. Love and Shital A. Mehta. The Nominating and Corporate Governance Committee is composed solely of independent directors, as defined in the listing standards of The Nasdaq Stock Market. During 2022, the Nominating and Corporate Governance Committee met on two occasions.

Director Nominating Process

The process for identifying and evaluating nominees for directors include the following steps: (1) the members of the Nominating and Corporate Governance Committee, Chairman of the Board or other Board members identify a need to fill vacancies or add newly created directorships; (2) the Chairman of the Nominating and Corporate Governance Committee initiates a search and seeks input from Board members and senior management and, if necessary, obtains advice from legal or other advisors; (3) director candidates, including any candidates properly proposed by stockholders in accordance with the Company's Bylaws, are identified and presented to the Nominating and Corporate Governance Committee; (4) initial interviews with candidates are conducted by the Chairman of the Nominating and Corporate Governance Committee; (5) the Nominating and Corporate Governance Committee meets to consider and approve final candidate(s) and conduct further interviews as necessary; and (6) the Nominating and Corporate Governance Committee makes recommendations to the Board for inclusion in the slate of directors at the annual meeting. The evaluation process is the same whether a nominee is recommended by a stockholder or by a member of the Board of Directors.

Meetings of Non-Management Directors

The Company's independent directors meet regularly in executive session without management. The Board of Directors has designated a lead director to preside at executive sessions of independent directors. Mr. H. Craig Moody is currently the lead director.

Employment Agreement with Scott M. Quist

On December 4, 2012, the Company entered into an employment agreement with Scott M. Quist, Chairman of the Board, President, and Chief Executive Officer of the Company. The agreement was for a six-year term beginning on December 4, 2012 and ending on December 4, 2018. The agreement has been extended to December 4, 2024. Under the terms of the Agreement, the Board of Directors may, in its sole discretion, extend the term of the agreement for an additional four-year term provided that Mr. Quist has continued to perform his duties with usual and customary care, diligence and prudence commensurate with his position with the Company. In addition, Mr. Quist is required to perform such additional duties as may be assigned to him from time to time by the Company's Board of Directors.

On October 21, 2022, the Board members approved a motion to extend Mr. Quist's employment agreement to December 4, 2024. Mr. Quist abstained from voting on the motion to extend his employment agreement for the additional four-year term. Under the terms of the agreement, Mr. Quist is to devote his full time to the Company, serving as Chairman of the Board, President and Chief Executive Officer at not less than his current salary and benefits. The Company also agrees to maintain a group term life insurance policy of not less than \$1,000,000 and a whole life insurance policy in the amount of \$500,000 on Mr. Quist's life. In the event of disability, Mr. Quist's salary would be continued for up to five years at 75% of its current level of compensation.

In the event of a sale or merger of the Company and Mr. Quist is not retained in his current position, the Company would be obligated to continue paying Mr. Quist's current compensation and benefits for seven years following the merger or sale. The employment agreement further provides that Mr. Quist is entitled to receive annual retirement benefits beginning (i) one month from the date of his retirement (to commence no sooner than age 65), (ii) five years following complete disability, or (iii) upon termination of his employment without cause. These retirement benefits are to be paid for a period of twenty years in annual installments in the amount equal to 75% of his then current level of compensation. In the event that Mr. Quist dies prior to receiving all retirement benefits thereunder, the remaining benefits are to be paid to his heirs. The Company expensed nil and \$900,000 during the years ended December 31, 2022 and 2021, respectively, to cover the present value of anticipated retirement benefits under the employment agreement. Independent Director Compensation

Independent directors of the Company (but not including directors who are employees) are currently paid a director's fee of \$36,000 per year (\$3,000 monthly) by the Company for their services and are reimbursed for their expenses in attending board and committee meetings. An additional fee of \$750 is paid to each director for each day of attendance at certain management meetings and for attendance at audit committee meetings. Each independent director is provided with an annual grant of stock options to purchase 1,000 shares of Class A common stock. During 2022 each independent director was granted additional stock options to purchase 6,000 shares of Class A common stock. Upon retirement from the board, each independent director will receive "retirement compensation" equal to one month director's fee for every year of service.

In 1995, the Company's Board of Directors adopted a 401(k) Retirement Savings Plan. Under the terms of the 401(k) plan, effective as of January 1, 1995, the Company made discretionary employer matching contributions to its employees who choose to participate in the plan. The plan allowed the board to determine the amount of the contribution at the end of each year. During the period from January 1, 1995 to December 31, 2007 the Board had adopted a contribution formula specifying that such discretionary employer matching contributions would equal 50% of the participating employee's contribution to the plan to purchase the Company's stock up to a maximum discretionary employee contribution of 1/2 of 1% of participating employees' compensation, as defined by the plan.

All persons who have completed at least one year's service with the Company and satisfy other plan requirements are eligible to participate in the 401(k) plan. All Company matching contributions are invested in the Company's Class A common stock. Also, the Company may contribute at the discretion of the Company's Board of Directors an Employer Profit Sharing Contribution to the 401(k) plan. The Employer Profit Sharing Contribution is to be divided among three different classes of participants in the plan based upon the participant's title in the Company. All amounts contributed to the plan are deposited into a trust fund administered by an independent trustee.

Beginning January 1, 2008, the Company elected to be a "Safe Harbor" Plan for its matching 401(k) contributions. The Company will match 100% of up to 3% of an employee's total annual compensation and 50% of 4% to 5% of an employee's annual compensation. The match is in shares of the Company's Class A common stock. The Company's contribution for 2022 and 2021 was \$2,573,956 and \$2,820,315 respectively, under the "Safe Harbor" plan.

Stock Repurchase Plan

The Company amended the Stock Repurchase Plan on December 4, 2020. The amendment authorized the repurchase of a total of 1,000,000 shares of the Company's Class A Common Stock in the open market. The repurchased shares of Class A common stock will be held as treasury shares to be used as the Company's employer matching contribution to the Employee 401(k) Retirement Savings Plan and for shares held in the Deferred Compensation Plan.

Employee Stock Ownership Plan (ESOP)

On November 25, 2019, the Company distributed a notice of intent to terminate the ESOP Plan to all current plan participants. The Company distributed the ESOP assets and terminated the ESOP, filing its final Form 5500 for the ESOP with the IRS on December 6, 2021.

Non-Qualified Deferred Compensation Plan

In 2001, the Company's Board of Directors adopted a Non-Qualified Deferred Compensation Plan and this plan was amended in 2005 and later amended in 2019. The Board has appointed a committee of the Company to be the plan administrator and to determine the employees who are eligible to participate in the plan. The employees who participate may elect to defer a portion of their compensation into the plan. The Company may contribute into the plan at the discretion of the Company's Board of Directors. The Company did not make any contributions for 2022 or 2021. The investment committee of the Company's Non-Qualified Deferred Compensation Plan consists of Scott M. Quist and Garrett S. Sill.

2013 Stock Option and Other Equity Incentive Awards Plan

On August 24, 2013, the Company adopted the Security National Financial Corporation 2013 Stock Option Plan (the "2013 Plan"), which reserved 450,000 shares of Class A common stock to be made available for issuance thereunder, of which up to 150,000 shares of Class C common stock could be issued as an alternative to up to 150,000 shares of Class A common stock. The 2013 Plan provides for the grant of options and the award or sale of stock to officers, directors, and employees of the Company. Both "incentive stock options," as defined under Section 422A of the Internal Revenue Code of 1986 and "non-qualified options" may be granted under the 2013 Plan. The 2013 Plan was approved by the stockholders at the Company's Annual Meeting, which was held on July 12, 2013.

On July 1, 2015, the stockholders approved an amendment to the 2013 Plan to authorize an additional 450,000 shares of Class A common stock under the 2013 Plan, of which up to 200,000 shares of Class C common stock may be issued as an alternative to up to 200,000 shares of Class A common stock. On June 29, 2017, the stockholders approved an amendment to the 2013 Plan to authorize an additional 500,000 shares of Class A common stock to be available for issuance under the plan, of which up to 250,000 shares of Class C common stock may be issued as an alternative to up to 250,000 shares of Class A Common Stock. On June 26, 2020, the stockholders approved an amendment to the 2013 Plan to authorize an additional 500,000 shares of Class A common stock under the 2013 Plan, of which up to 350,000 shares of Class C common stock may be issued in place of up to 350,000 shares of Class A common stock.

The 2013 Plan is to be administered by the Board of Directors or by a committee designated by the Board. The terms of options granted or stock awards or sales affected under the 2013 Plan are to be determined by the Board of Directors or its committee. No options may be exercised for a term of more than ten years from the date of the grant. Options intended as incentive stock options may be issued only to employees, and must meet certain conditions imposed by the Internal Revenue Code, including a requirement that the option exercise price be no less than the fair market value of the option shares on the date of grant. The 2013 Plan provides that the exercise price for non-qualified options will not be less than at least 50% of the fair market value of the stock subject to such option as of the date of grant of such options, as determined by the Company's Board of Directors.

The 2013 Plan also provides that if the shares of common stock shall be subdivided or combined into a greater or smaller number of shares or if the Company shall issue any shares of common stock as a stock dividend on its outstanding common stock, the number of shares of common stock deliverable upon the exercise of options shall be increased or decreased proportionately and an appropriate adjustment shall be made in the purchase price to reflect such subdivision, combination or stock dividend. In addition, the number of shares of common stock reserved for purposes of the 2013 Plan shall be adjusted by the same proportion. No options may be exercised for a term of more than ten years from the date of grant.

The 2013 Plan further provides that an option shall be exercised by giving written notice to the Company. Such notice shall identify the option being exercised and specify the number of shares as to which such option is being exercised, accompanied by payment of the purchase price. The purchase price may be made either in cash or by check or, at the discretion of the Board, through delivery of shares of common stock having a fair market value equal as of the date of the exercise to the cash exercise price of the option or, at the discretion of the Board, through the use of some of the shares for which the option is being exercised (a cashless transaction), or by any combination of the foregoing means of payment.

On December 4, 2015, the Board of Directors approved a resolution to amend the 2013 Plan to include additional equity incentive awards. These additional incentive awards under the plan consist of Stock Appreciation Rights (SARs), Restricted Stock Units (RSUs), and Performance Share Awards. Stock Appreciation Rights are awards that entitle the recipient to receive cash or stock equal to the excess of the Company's stock price on the date the SAR is exercised over the Company's stock price on the date the SAR was granted times the number of shares of stock with respect to which the SAR is exercised. Restricted Stock Units entitle the recipient to receive RSUs that require the Company on the distribution dates to transfer to the recipient one unrestricted, fully transferable share of stock for each RSU scheduled to be paid out on that date. Performance Share Awards entitle the recipient to receive stock based on the Company meeting certain performance goals. As amended, the 2013 Plan is now entitled, the "Security National Financial Corporation Amended and Restated 2013 Stock Option and Other Equity Incentive Awards Plan."

The 2013 Plan has a term of ten years. The Board of Directors may amend or terminate the 2013 Plan at any time, from time to time, subject to approval of certain modifications to the 2013 Plan by the stockholders of the Company as may be required by law or the 2013 Plan.

2014 Director Stock Option Plan

On May 16, 2014, the Company adopted the Security National Financial Corporation 2014 Director Stock Option Plan (the "2014 Director Plan"). The 2014 Director Plan was approved by the stockholders at the Company's Annual Meeting on July 2, 2014 and replaced the Company's 2006 Director Stock Option Plan. The 2014 Director Plan provides for the grant by the Company of stock options to directors who are not employees or paid consultants (the "Outside Directors") to purchase shares of Class A common stock made available for issuance under the plan. The 2014 Director Plan also provides that annually each Outside Director is automatically eligible to receive options to purchase 1,000 shares of the Company's Class A common stock. On December 1, 2017, the 2014 Director Plan was amended to authorize the Board of Directors to establish, each year, the effective date of such automatic grants.

On March 27, 2020, the Board approved an amendment to the 2014 Director Plan to provide for the cashless exercise of stock options. Prior to the approval of the amendment, the consideration for the shares to be issued upon the exercise of a stock option under the 2014 Director Plan included cash, check, or at the discretion of the Board, through the delivery of shares of common stock having a fair market value equal to the cash exercise price of the option, or a combination of the foregoing. As amended, at the discretion of the Board, the consideration for exercising the option may also include the use of some or all of the shares for which the option is exercised (cashless exercise of the option), or by any combination of the foregoing methods of payment. As a result of the amendment, the 2014 Director Plan is now entitled, "Security National Financial Corporation Amended and Restated 2014 Director Stock Option Plan." On June 26, 2020, the stockholders approved an amendment to the 2014 Director Plan to authorize an additional 100,000 shares of Class A common stock to be made available for issuance under the plan, thereby increasing the total number of available shares from 150,000 to 250,000.

The stock options granted to Outside Directors shall vest in four equal quarterly installments over a one-year period from the date of grant, until such shares are fully vested. The primary purposes of the 2014 Director Plan are to enhance the Company's ability to attract and retain well-qualified persons for service as directors and to provide incentives to such directors to continue their association with the Company.

In the event of a merger of the Company with or into another company, or a consolidation, acquisition of stock or assets, or other change in control transaction involving the Company, each option granted under the 2014 Director Plan becomes exercisable in full, unless such option is assumed by the successor company. In the event the transaction is not approved by a majority of the "Continuing Directors" (as defined in the 2014 Director Plan), each option becomes fully vested and exercisable in full immediately prior to the consummation of such transaction, whether or not assumed by the successor corporation.

Stock Purchase Plan

On September 11, 2015, the Board of Directors approved the Company's Stock Purchase Plan for the mutual benefit of the Company and its stockholders. Under the terms of the Stock Purchase Plan, the Company has the option to purchase shares of Class A common stock from its officers and directors who exercise the stock options granted to them under any of the Company's stock option plans with the proceeds from such purchases to be used to pay the taxes owed by such officers and directors as a result of the exercise of their stock options. Additionally, the officers and directors who exercise their stock options may, in their discretion, request that the Company purchase shares of their Class A common stock with the proceeds from such sale to be used to pay the taxes owed by such officers and directors as a result of the exercise of their stock options.

The Company is authorized under the Stock Purchase Plan to purchase no more than 60,000 shares of Class A common stock in any calendar year to pay the taxes owed by the officers and directors who exercise their stock options under the Stock Purchase Plan. The Company's purchase price for the Class A common stock under the Stock Purchase Plan shall be equal to the closing sales price of the Company's Class A common stock as reported by The Nasdaq National Market on the day that the applicable stock options are exercised by such officers and directors. Under the Stock Purchase Plan, the Company may only purchase shares of Class A common stock from the officers and directors exercising their stock options during a "Trading Window" as defined in the Company's Insider Trading Policy and Guidelines.

2022 Equity Incentive Plan

On March 25, 2022, the Company's Board of Directors adopted the 2022 Equity Incentive Plan and it was approved by the Company's shareholders on June 17, 2022. The purpose of the 2022 Equity Incentive Plan is to assist the Company and its subsidiaries in attracting and retaining selected individuals to serve as directors, employees, consultants and/or advisors of the Company who are expected to contribute to the Company's success and to achieve long-term objectives which will inure to the benefit of all shareholders of the Company through the additional incentives inherent in the Awards thereunder. A maximum of 1,000,000 shares of Class A or Class C common stock are authorized for issuance under the 2022 Equity Incentive Plan (including pursuant to incentive awards). Awards under the 2022 Equity Incentive Plan are subject to the discretion of the Board and the Compensation Committee. The 2022 Equity Incentive Plan has a term of 10 years. In March 2023, the 2022 Equity Incentive Plan was amended and restated to allow vesting periods of less than one year for Restricted Stock and Restricted Stock Unit awards for directors.

Certain Relationships and Related Transactions and Director Independence

REPORT OF THE COMPENSATION COMMITTEE

Compensation Discussion and Analysis

Under rules established by the Securities and Exchange Commission (the "Commission"), the Company is required to provide certain data and information in regard to the compensation and benefits provided to its Chief Executive Officer, Chief Financial Officer, and the three other most highly compensated executive officers. In fulfillment of this requirement, the Compensation Committee, at the direction of the Board of Directors, has prepared the following report for inclusion in this Proxy Statement.

Executive Compensation Philosophy. The Compensation Committee of the Board of Directors is composed of six directors, all of whom are independent, outside directors. The Compensation Committee is responsible for setting and administering the policies and programs that govern both annual compensation and stock ownership programs for the executive officers of the Company. The Company's executive compensation policy is based on principles designed to ensure that an appropriate relationship exists between executive pay and corporate performance, while at the same time motivating and retaining executive officers.

Executive Compensation Components. The key components of the Company's compensation program are base salary, an annual incentive award, and equity participation. These components are administered with the goal of providing total compensation that is competitive in the marketplace, rewards successful financial performance, and aligns executive officers' interests with those of stockholders. The Compensation Committee reviews each component of executive compensation on an annual basis.

Base Salary. Base salaries for executive officers are set at levels believed by the Compensation Committee to be sufficient to attract and retain qualified executive officers. Base pay increases are provided to executive officers based on an evaluation of each executive's performance, as well as the performance of the Company as a whole. In establishing base salaries, the Compensation Committee not only considers the financial performance of the Company, but also the success of the executive officers in developing and executing the Company's strategic plans, developing management employees and exercising leadership. The Compensation Committee believes that executive officer base salaries for 2022 were reasonable as compared to amounts paid by companies of similar size.

Annual Incentive. The Compensation Committee believes that a significant proportion of total cash compensation for executive officers should be subject to attainment of specific Company financial performance. This approach creates a direct incentive for executive officers to achieve desired performance goals and places a significant percentage of each executive officer's compensation at risk. Consequently, each year the Compensation Committee establishes potential bonuses for executive officers based on the Company's achievement of certain financial performance. The Compensation Committee believes that executive officer annual bonuses for 2022 were reasonable as compared to amounts paid by companies of similar size.

Stock Options. The Compensation Committee believes that equity participation is a key component of its executive compensation program. Stock options are granted to executive officers primarily based on the officer's actual and potential contribution to the Company's growth and profitability and competitive marketplace practices. Option grants are designed to retain executive officers and motivate them to enhance stockholder value by aligning the financial interests of executive officers with those of stockholders. Stock options also provide an effective incentive for management to create stockholder value over the long term since the full benefit of the compensation package cannot be realized unless an appreciation in the price of the Company's Class A common stock occurs over a number of years.

Compensation of Chief Executive Officer. Consistent with the executive compensation policy and components described above, the Compensation Committee determined the salary, bonus and stock options received by Scott M. Quist, Chairman of the Board, President, and Chief Executive Officer of the Company, for services rendered in 2022. Mr. Quist had received a base salary of \$651,533 for 2022. Under the Compensation Committee's rules, the Chief Executive Officer may not be present during voting or deliberations related to his compensation.

REPORT OF THE AUDIT COMMITTEE

The Company has an Audit Committee consisting of five non-management directors: John L. Cook, H. Craig Moody, Ludmya B. Love, Shital A. Mehta and Gilbert A. Fuller (Chairman of the committee). Each member of the Audit Committee is considered independent and qualified in accordance with applicable independent director and audit committee listing standards.

During the year 2022, the Audit Committee met three times. The Audit Committee has met with management and discussed the Company's internal controls, the quality of the Company's financial reporting, the results of internal and external audit examinations, and the audited financial statements. In addition, the Audit Committee met with the Company's independent registered public accountants, Deloitte & Touche LLP, and discussed all matters required to be discussed by the auditors with the Audit Committee under the Statement on Auditing Standards No. 114 (communication with audit committees). The Audit Committee reviewed and discussed with the auditors their annual written report on their independence from the Company and its management, which is made under Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and Public Company Accounting Oversight Board Rule No. 3526 (Communication with Audit Committees Concerning Independence), and considered with the auditors whether any non-audit services provided by them to the Company during 2022 was compatible with the auditors' independence.

In performing these functions, the Audit Committee acts only in an oversight capacity. In its oversight role, the Audit Committee relies on the work and assurances of the Company's management, which is responsible for the integrity of the Company's internal controls and its financial statements and reports, and the Company's independent auditors, who are responsible for performing an independent audit of the Company's financial statements in accordance with generally accepted auditing standards and for issuing a report on these financial statements.

Pursuant to the reviews and discussions described above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2022 for filing with the U.S. Securities and Exchange Commission.

PROPOSAL 2 - APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or the Dodd-Frank Act, enables the Company's stockholders to vote to approve, on an advisory (nonbinding) basis, the compensation of the Named Executive Officers as disclosed in this Proxy Statement in accordance with the SEC's rules. Thus, pursuant to Section 14A of the Securities Exchange Act of 1934, the Company is asking stockholders for an advisory approval of the compensation of the Company's Named Executive Officers as described in the Compensation Discussion and Analysis, the compensation tables, and related narrative discussion included in this Proxy Statement.

As discussed in the Compensation Discussion and Analysis, the Company designs its compensation programs to maintain a performance- and achievement-oriented environment throughout the Company. The goals of the Company's executive compensation program are to provide total compensation that is competitive in the market place and that rewards successful financial performance in order to attract, retain, and motivate highly-qualified executive officers and other key employees who contribute to the Company's long-term success, to align executive compensation with the Company's business objectives and performance, and to motivate executive officers to enhance long-term stockholder value.

Consistent with these goals and as discussed in the Compensation Discussion and Analysis, the Compensation Committee has designed guiding principles to ensure that an appropriate relationship exists between executive pay and corporate performance, while at the same time motivating and retaining executive officers.

The Company is asking its stockholders to indicate their support for the compensation of the Company's Named Executive Officers as described in this Proxy Statement. This proposal, commonly known as a "say-on-pay" proposal, gives the stockholders the opportunity to express their views on the compensation of the Named Executive Officers. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Company's Named Executive Officers and the philosophy, policies, and practices described in this Proxy Statement. Accordingly, the Board of Directors asks the stockholders to vote "FOR" the following resolution at the Annual Meeting:

"RESOLVED, that the Company's stockholders approve, on an advisory basis, the compensation of the Named Executive Officers, as disclosed in the Company's Proxy Statement for the 2022 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the United States Securities and Exchange Commission, including the Compensation Discussion and Analysis, the 2022 Summary Compensation Table, and the other related tables and disclosures."

The say-on-pay vote is advisory, and therefore not binding on the Company, the Board of Directors, or the Compensation Committee. The Board of Directors and the Compensation Committee value the opinions of the Company's stockholders and will take into account the outcome of this vote in considering future compensation arrangements for the Named Executive Officers.

The Board of Directors recommends that the stockholders vote "FOR" approval, on an advisory basis, of the compensation paid to the Company's Named Executive Officers.

PROPOSAL 3 – ADVISORY VOTE ON THE FREQUENCY OF FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION

Section 14A and related rules promulgated by the Commission require that the Company’s shareholders be given the opportunity, once every six years, to cast an advisory (non-binding) vote on how frequently the Company should consider future Say-on-Pay proposals at its annual meetings of shareholders (referred to as a “Say-on-Frequency” vote). This proposal gives the Company’s shareholders the opportunity to indicate whether they would prefer that, during the next six years, the Company’s shareholders be given a non-advisory vote on future Say-on-Pay proposals once every one, two, or three years. If they wish, shareholders may also abstain from casting a vote on this proposal. Accordingly, the following resolution will be submitted to the Company’s shareholders for approval at the Annual Meeting:

“RESOLVED, that the option of every year (annual basis), every two years (biennial basis) or every three years (triennial basis) that receives the highest number of votes cast for this resolution will be determined to be the preferred frequency of the Company’s shareholders, on an advisory basis, for holding an advisory vote on the compensation of the Company’s named executive officers as disclosed in the Company’s proxy statement pursuant to the Securities and Exchange Commission’s compensation disclosure rules.”

Similar to the Say-on-Pay proposal, this vote is advisory in nature and will not bind the Company or the Board to adopt any particular frequency. However, the Board values the opinion of the Company’s shareholders and will consider the outcome of the vote when determining how frequently to address future Say-on-Pay proposals. Regardless of the outcome of this Say-on-Frequency vote, the Board may decide that it is in the best interests of the Company’s shareholders and the Company to include a Say-on-Pay proposal in the Company’s proxy statement more or less frequently than the frequency receiving the most votes cast by the Company’s shareholders at the Annual Meeting. The Board anticipates that, following the Annual Meeting, the next advisory Say-on-Frequency vote will take place in connection with the Company’s 2029 annual meeting of shareholders.

Voting

The proxy card allows shareholders to vote for one of four choices at the Annual Meeting: one year, two years, three years, or abstain from voting on this proposal.

The Board recommends that shareholders vote THREE YEARS on the proposal to recommend, on an advisory basis, the frequency of executive compensation votes during the next six years.
